INSTRUCTIONS FOR USE AND MAINTENANCE:

Not suitable for food contact. Do not allow food to come in contact with Trio82-Barrier.

Any food in contact should be removed and discarded as unfit for consumption.

Store away from UV light and moisture when not in use.

Do not scratch, drop or perform any other action that could damage the paint and lead to corrosion of the product (rusting).

Do not warp, bend or perform any other action that may alter the physical and dimensional properties of the product.

JYA COEO will not be held responsible for failure to follow the instructions for use and maintenance.
